Project Title

*Community Partner Compensation Process
Environmental Scan and Analysis*

Supervisor

Gloria Zavala Perez

Remote 

To address this, HERO together with other colleagues in the UC Davis Community Engagement Collaborative have formed a work group to explore the landscape of public compensation best practices and standards nationally and at UC Davis, with an eye to identifying content tools and approaches that may be adopted across both campuses and creating a platform for sharing these broadly. HERO program is charged to develop and disseminate tools and resources related to public involvement in health research throughout the university.

Office of Yolo County Supervisor Lucas Frerichs

Project Title

District 2 Priority Projects – Gun Violence Prevention and Women in Leadership

Supervisor

Tara Thronson

Hybrid

Yolo County Supervisor Lucas Frerichs represents the residents of District 2, which includes the City of Winters, the UC Davis campus, and parts of the City of Davis. The first is the Yolo County Gun Violence Prevention Collaborative, an initiative aimed at comprehensively addressing gun violence prevention in Yolo County, launching in the fall of 2023. The second initiative is to support Yolo Women in Leadership. Supervisor Frerichs is launching an initiative to collaboratively create a county culture that promotes and fosters leadership opportunities for women throughout Yolo County, both inside and outside of county government.
